The Double Decker TACO® LT combines our lightweight rifle and pistol mag pouches into a single pouch that securely holds an infinite combination of mags and other accessories at 30% the original weight.  
- Magazines are held securely  
- Deployed easily and silently on demand  
- Strip of loop Velcro® sewn inside rifle mag  
- MOLLE version includes HSGI® clips for attachment to PALS  
- Belt mount version attaches with Velcro® One-Wrap® to belts up to 2”

**Dimensions:** 3” x 3” x 8”, .37lb

**Comes in:** Black, Khaki, Coyote Brown

See www.vimeo.com/highspeedgear/tacooverview for a video about the TACO® line.

---

### Double Decker TACO® Shingle

**MOLLE** | 451000  
**Belt Mounted** | 10200  

See www.highspeedgear.com for currently available colors/patterns.

This unique pouch uses injection-molded polymer brackets, 1000D Cordura® front and back, shock cord and an adjustable, buckled flap to lock just about any magazine into place and protect the contents.  
- Fits most rifle mags  
- Fold over a side release buckle and hook and loop to secure  
- A silencing strip is included for the hook and loop to provide silent operation of the flap if needed  
- Also fits certain radios, flashlamps and smoke grenades  
- Slip this pouch into a vest, plate carrier or battle belt  

**Dimensions:** 10” x 1.75” x 5”, .78lb

**Comes in:** Black, Khaki, Coyote Brown

See www.vimeo.com/highspeedgear/tacooverview for a video about the TACO® line.

---

### Double Decker TACO® - Covered

**MOLLE** | 18200  
**Belt Mounted** | 10200  

See www.highspeedgear.com for currently available colors/patterns.

This unique pouch uses injection-molded polymer brackets, 1000D Cordura® front and back, shock cord and an adjustable, buckled flap to lock just about any magazine into place and protect the contents.

The HSGI® SPC is a slick, lightweight plate carrier with plate pockets constructed of 500D Cordura®. The 2” (1.5” for OD) side straps are gripper elastic with a loop lining and are perfect for adding belt-mounted magazine or utility pouches in addition to providing versatile and comfortable sizing. The SPC can be converted into a functional battle vest with the addition of the Chest Platform (40CP00).

- Loop front with nylon webbing to allow installation of Chest Platform
- Neoprene-lined shoulder pads enhance stability and comfort
- Underside of each pocket built with mesh cushions to allow airflow and improve comfort

Dimensions: 11”L x 3”W x 14”H, 1.44lb
Metric: 27.94cm x 7.62cm x 35.56cm, 653.17g

*Use Plate Carrier Adaptor Straps (see Accessories section) to upgrade with a Sure-Grip® Padded Belt.*

See www.highspeedgear.com for currently available colors/patterns.

The HSGI® SPC-Bravo is a light plate carrier with plate pockets constructed of 500D Cordura® and durable 1” PALS webbing.

- Mesh cushions allow airflow and improve comfort
- Neoprene-lined shoulder pads enhance stability and comfort
- The 2” (1.5” for OD) wide gripper elastic side straps are perfect for HSGI® belt-mounted pouches
- Loop front with nylon webbing to allow installation of Chest Platform

Dimensions: 11”L x 3”W x 14”H, 1.98lb
Metric: 27.94cm x 7.62cm x 35.56cm, 898.11g

*Use Plate Carrier Adaptor Straps (see Accessories section) to upgrade with a Sure-Grip® Padded Belt.*

Visit www.vimeo.com/highspeedgear/platecarriers for a video about our plate carriers.
**The Range Day (RD) Pistol Case**

The gripper elastic loop tray can firmly hold three pistol mags of almost any caliber.

- Four sewn nylon pockets offer more versatility in storage options.

The RD Pistol Case is perfect for a day on the range or any portable storage need. Constructed of 500D Cordura®, the internal fleece keep wall, gripper elastic retainers, and four pockets provide superior versatility. This inclusive set up provides stable organization and storage for your handgun, several HSGI® pouches, the internal Velcro loop wall, gripper elastic retainers, and four pockets provide superior versatility. The adjustable gripper elastic holster can securely retain most handguns.

- Includes two nylon webbing handle straps for a flexible & comfortable carry.

**10.75"x8" loop Velcro® panel allows full customization of magazine tray.**

**AO Chest Rig**

See www.highspeedgear.com for currently available colors/patterns.

The AO Chest Rig is rich in features and low in cost. Add three TACO® Magazine Pouches and a Bleeder/Blowout Pouch for the perfect setup.

- Front panel efficiently constructed to provide three rows and six columns of MOLLE webbing
- Hook without plate carrier
- Carry handle is sewn into the top to allow quick transport if you have to grab and go
- Features hook backing for use with other systems and separate loop panel to cover backing when not in use

**Chest Platform**

See www.highspeedgear.com for currently available colors/patterns.

The Chest Platform is designed to be worn with the included H-Harness or to integrate into the Slick Plate Carrier (SPC). Quickly go from your low profile setup to battle ready in seconds. The platform will also integrate with similar plate carriers on the market. A simple “TACO“ and a Bleeder Blowout Pouch and you have the perfect setup.

- Front panel efficiently constructed to provide three rows and six columns of MOLLE
- Different provides solid performance and removable mesh panel offers enhanced comfort
- Velcro®-Hinged straps allow for quick install onto our plate carrier or others on the market
- HSGI® H-Harness is included

**Range/Go Bag**

See www.highspeedgear.com for currently available colors/patterns.

This compact leg rig is set up for quick access to role-specific gear. The TACOs® will hold your magazines and other gear and the internal padded divider allows for protection of inside items.

- Front panel efficiently constructed to provide three rows and eight columns of PALS on sides of bag allow for external attachment of MOLLE pouches
- Three rows and six columns of MOLLE webbing
- Double waist attachment points can be adjusted to balance load
- Dual 3" fastener strip with loop for optional hook-backed or MOLLE pouches
- Internal pockets on each side of the bag
- Shoulder strap made from 1.5" webbing
- D-rams on eight corners for shoulder or backpack strap attachment
- Reinforced webbing handle on each side of bag for hand carry
- Blowout Pouch for the perfect setup.

- HSGI® H-Harness is included

**Leg Rigs**

See www.highspeedgear.com for currently available colors/patterns.

This compact rig is set up for quick access to role-specific gear. The TACOs® will hold your magazines and other gear securely. Perfect for a low profile setup for any mission. By popular demand, we are offering the panel in three variations: three TACO® pouches are made of 1000D Cordura®, injection-molded polymer brackets and shock cord. The pouches maintain a positive, adjustable grip of the magazines and do not require any other securing systems unless desired.

Combos

Assembly required for all combos

**First Responder Combo** $145

See www.highspeedgear.com for currently available colors/patterns.

This combo includes our Padded Leg Panel, Mini EOD V2 pouch and our M.A.C. Radio TACO® and provides quick deployment option for multiple gear combinations.

- Belt loops of leg panel can be left on belt for quick installation
- Adjustable hip strap provides stable platform
- M.A.C pouch holds many radios and allows access to side controls
- Newly designed EOD pouch works great for multiple needs including medical supplies

Dimensions: 9”L x 4.5”W x 7.25”H, 1.38lb

Metric: 22.86cm x 5.72cm x 18.3cm, 625.95g

**Active Shooter Combo** $145

See www.highspeedgear.com for currently available colors/patterns.

This Active Shooter Combo includes our AO Small Chest Rig, three Double Decker Value Combos includes one AO Small Chest Rig, three Double Decker Value Combos and our M.A.C. pouch and provides quick deployment option for multiple gear combinations.

- Belt loops of leg panel can be left on belt for quick installation
- Adjustable hip strap provides stable platform
- M.A.C pouch holds multiple radios and allows access to side controls
- Newly designed EOD pouch works great for multiple needs including medical supplies

Dimensions: 14.5”L x 3.7”W x 6.75”H, 1.93lb

Metric: 36.83cm x 9.39cm x 17.15cm, 875.43g

**Quick Reaction Combo** $250

See www.highspeedgear.com for currently available colors/patterns.

The V2 version of our popular Double Decker Value Combo includes one AO Small Chest Rig, three Double Decker Value Combos and our M.A.C. pouch and provides quick deployment option for multiple gear combinations.

- Fully adjustable to be pinned off or left without straps
- Easy to operate with gloved hands
- Reduced risk of accidental disengagement
- Increased reliability and speed of weapon deployment

Dimensions: 12”L x 4.7”W x 4.9”H, 2.60lb

Metric: 30.5cm x 2.54cm x 10.2cm, 119g

**Adjustable Weapons Catch** $45

MOLLE 95WCM0 Belt Mounted 95WCB0

See www.highspeedgear.com for currently available colors/patterns.

The HSGI® Adjustable Weapons Catch provides positive weapon retention for climbing, rappelling, fast roping and other operationally hands-free needs. This catch is constructed with rigid 2” SCUBA webbing, and quick-release, snap-shoulder buckle and metal D-ring for security.

- Fully adjustable to be pinned off or left without straps
- Easy to operate with gloved hands
- Reduced risk of accidental disengagement
- Increased reliability and speed of weapon deployment

Dimensions: 12”L x 7”W x 4”H, 2.60lb

Metric: 30.5cm x 2.54cm x 10.2cm, 119g

**Battle Belt Bridge** $35

MOLLE 95BB00 Belt Mounted 95WCB0

See www.highspeedgear.com for currently available colors/patterns.

The Battle Belt Bridge is designed to bridge the gap of your Sure-Grip® Belt, increasing your PLSS real estate by up to six columns of webbing. It includes an HSGB Clip to secure one end to your battle belt and field-expedient, side-release buckles for easy attachment to the other end. These buckles also allow the bridge to be quickly disengaged. The HSGB® Belt Bridge will only fit Sure-Grip® gaps up to two inches.

- Regain battle space
- Easy on/off

Dimensions: 14”L x 6.2”W x 0.7”H, 16lb

Metric: 35.80cm x 1.59cm x 1.78cm, 74g

**Gear Disc** $20

MOLLE 90° 12GD00 - 45° right 12GD01 - 45° left 12GD02

See www.highspeedgear.com for currently available colors/patterns.

These 90-degree swiveling 1000D Cordura® laminate discs allow the user to apply either a 45- or 90-degree cant to magazines or other similar gear. Each user should consider their personal preferences before choosing a Gear Disc. Right discs (12GD00 and 12GD01) fit your pouches forward 45 degrees on your right hip. Left discs (12GD01 and 12GD02) fit your pouches forward 45 degrees on your left hip. The horizontal discs (12GD02 and 12GD00) allow you to mount vertical pouches horizontally and vice versa.

- Better accessibility
- Improved ergonomics
- More natural reloads

Dimensions: 4.5”L x 2.7”W x 0.7”H, 1lb

Metric: 11.43cm x 6.86cm x 1.78cm, 0.45kg
Adjustable Shoulder Pads $26

Padded Shoulder Harness $45

Side Plate Pockets $59

NVG Counterbalance Pouch $69

- Standard 907BC0
- Sterile 907BCO

The HSGI® Baseball Cap is constructed with heavy-weight twill material. See www.highspeedgear.com for currently available colors/patterns.

- Expandable elastic head strap to fit the small to extra-large sizes.
- Front and rear 2” x 3” loop areas and one 1.5” x 1.5” loop cover for patches.
- Subdued American Flag and an HSGI® logo embroidered on the colors.
- Designed by HSGI® and made entirely in the U.S.A.

The HSGI® Baseball Cap Sterile is a contractor-style cap that has no company logo or country flag. See www.highspeedgear.com for currently available colors/patterns.

**HSGI® Short Sleeve T-Shirt**

- Standard 90TBC0
- Sterile 90TBS0

Available in Cardinal and Faded Navy. Printed on a Next Level preshrunk cotton blend in either cardinal or faded navy blue with distressed graphics on front left chest and center back. The design is a clean, refreshing update to our original company shirt.

ABOUT HIGH SPEED GEAR®

High Speed Gear® is dedicated to building the best 100% made in the USA, battle-proven tactical gear™. Everything HSGI® creates is manufactured in North Carolina.

Satisfaction is guaranteed for all of our customers, whether military, law enforcement or responsibly armed citizens. HSGI's® products are user-driven & are designed based on the operational experiences of a wide variety of end users. This includes regular direct input from military experts at the many bases throughout North Carolina.

High Speed Gear® has a history of producing some of the most versatile tactical pouches & platforms in the industry. A proven performer, HSGI® continues to show tremendous popularity in the law enforcement, military & shooting sports markets worldwide. HSGI®'s lengthy list of top tier operators includes U.S. & allied special forces, state & local tactical units, & federal agencies. All HSGI® products are Berry Compliant.

HSGI® products are fully warrantied to the original owner against defects in materials and workmanship for the lifetime of the product. If a product ever fails due to a manufacturing defect, we will repair it or replace it, at our discretion.
